## *Commonly Used Golf Terms*

**90-Degree Rule:** All cart drivers are required to stay on the path until they are 90-degrees from their ball.

**Shotgun start:** For groups of 32 players or more. All players start at the same time, but on different holes. Larger fields may have two groups per hole.

**Double Tee:** The field is split in half and each division starts on the #1 hole of two different nines.

**Overseeding:** Planting rye grass on top of Bermuda grass for winter playing surfaces. Takes place in the Low Country in the fall; dates vary between facilities.

**Proxies:** Proximity contests. The most of these on-course contests are Closest to the Pin, Longest Drive, Longest Putt Made and Straightest Drive.

**Scramble Format:** All players tee off and select the group's best shot. All players then hit from that location and continue this process until the ball is holed out.

**Best Ball Format:** All players play their own ball and the best score(s) of the group is recorded as the team score.
